Form CB-5

Department of Chemistry and Biochemistry

Approval Form for Topic of Original Research Proposal

The student must submit an abstract of the original research proposal (not related to the student's dissertation research) to the dissertation committee for approval. It is suggested that the abstract be approved 2-3 months in advance and under no circumstances be received less than four weeks prior to the examination.

TO: Graduate Committee

I certify that this is my original idea and composition and that it is unrelated to my current or previous research experiences
