The Zaida C. Morales-Martinez and Howard E. Moore Chemistry Award 2018

The Zaida C. Morales-Martinez and Howard E. Moore Chemistry Award is presented by the Florida International University Department of Chemistry and Biochemistry. A onetime award of $500 is given based on academic record and extracurricular activities, including involvement in the FIU Chemistry Club.

The eligibility requirements are

• Student must be a chemistry major
• Student must have entered their junior or senior year in the Fall 2017 semester and should have at least two more semesters before graduation (earliest graduation date December 2018)
• Must have a minimum GPA of 3.0
• Must not have previously won the award

The application has two steps

1) Fill out the survey at the following link:
https://fiu.qualtrics.com/jfe/form/SVd4IYFrL19KqYMCh

2) Then email a copy of your unofficial transcript to Dr Jeff Joens (joensj@fiu.edu) or Dr. Milagros Delgado (delgadom@fiu.edu).

The deadline for turning in applications is Monday, March 5th 2018.
For more information, see Dr. Jeff Joens (MMC) or Dr. Milagros Delgado (BBC).
