The Zaida C. Morales-Martinez and Howard E. Moore Chemistry Award 2019

The Zaida C. Morales-Martinez and Howard E. Moore Chemistry Award is presented by the Florida International University Department of Chemistry and Biochemistry. A one-time award of $500 is given based on academic record and extracurricular activities, including involvement in the FIU Chemistry Club.

The eligibility requirements are

☐ Student must be a chemistry major or biochemistry major
☐ Student must have entered their junior or senior year in the Fall 2018 semester and should have at least two more semesters before graduation (earliest graduation date December 2019)
☐ Must have a minimum GPA of 3.0
☐ Must not have previously won the award
☐ Service to chemistry department and FIU will be viewed favorably

The application is below

1) Fill out a short survey at the following link

https://fiu.qualtrics.com/jfe/form/SV_6tI76A1373YI55X

2) Email a copy of your unofficial transcript to Dr. Uma Swamy (swamyu@fiu.edu) with the subject “Unofficial transcript for 2019 MMM award”.

The deadline for turning in applications is

Wednesday, March 20th 2019 at 11:59 pm.

The selected applicants will be notified by the end of the Spring 2018 semester.
