

Highlights of Accomplishments of Past Participants

Bridget Venegas (2013-Kavallieratos group) and Jenna Logsdon (2013-O'Shea group) were awarded travel fellowships from the NSF Chemistry REU leadership group to present their REU research at the ACS National Meeting, in Dallas, TX (Spring 2014)

Carlos Paz (2014-Tse-Dinh group) won a "Best Poster" Award at the 2014 ABRCMS Conference (San, Antonio, TX) for the presentation of his REU work.

Our Summer 2014 cohort will be strongly represented at the Spring Denver ACS meeting with 6 poster presentations! 2 additional presentations of Summer 2014 REU work took place at the November ABRCMS Conference! *Congratulations to all our past and future meeting presenters!*

Two of our 2013 senior participants have just started graduate school last September at the *Univ. of Wisconsin-Madison* and at the *Univ. of Miami*. And there is more to come from our several junior 2013 and senior 2014 participants who are applying to graduate school now!

Good luck with your graduate school applications to all of you!
